G. E. "Bud" Klise Leadership Award

PID Norm Dean established the Klise Leadership Award in 1989. The award is to honor the memory of Past International Director G. E. "Bud" Klise of Stockport, Iowa in District 9X4. Lion "Bud" served as District Governor in 1976-77 and as an International Director from 1980-82. Past Director Klise exemplified leadership as he served his fellow man. All others in our International Association who came in contact with Lion "Bud" and his lovely wife Marilyn loved them. His life was cut short by a fatal traffic accident shortly after he had announced that he would be a candidate for the office of International Vice President. The award, which was first presented in 1989, is presented as a part of the International Banquet at State Convention each year. **The Klise Leadership Award is only on the State level. District awards may not use Klise in their title.**
