

## The Norm Dean Membership Growth Award

In the 2012-2013 Lions year it was suggested the Council of Governors to create a multiple district award for yearly district membership growth. The decision was made that the growth be based on the net increase from the year before. Since the start of this award, membership growth has been achieved five times. One year two districts qualified but District 9SW was given the award due to the largest growth. The award is presented to the District Governor, for the year of winning the award, on behalf of the district.

The award is named for Past International Director Norm Dean for his strong desire and commitment for membership growth. During his District Governor year, PID Norm sponsored 3 clubs. He has received 6 Extension Awards. He established a Club Branch which merged with the Davenport Host Lions Club to become the Davenport Village Lions Club. PID Norm has also sponsored 53 members to our organization.

Past winners of the Norm Dean Membership Growth Award are as follows:

FY 2012-2013	District 9SW	District Governor Diana Benzing
FY 2013 through 2016		No district qualified for a net gain.
FY 2016-2017	District 9SE	District Governor Paul Hain Jr.
FY 2017-2018	District 9NE	District Governor Ed Ottesen
FY 2018-2019	District 9NE	District Governor Doug Welton
FY 2019-2020		No district qualified for a net gain.
FY 2020-2021	District 9SW	District Governor Sheri Holliday

# District 9EC Cabinet

## 9EC DG Paul Fugate

Paul is a member of the Mount Vernon Club. Paul started as a Leo in 2007 and becoming a Lion in 2009. Paul works at the Mount Vernon Community School District and I love my job! I like to travel and I also love to play board games.

I'd like to first say thank you for being a Lion! Your service helps those who truly need it, and you make a difference in the world!

My theme this year is ROAR! My fellow Lions it's time to get our ROAR back! Roar means we are going to be a leader not just in our association but in our communities, we serve in. One of my service goals this year is to have 90% of clubs in the district report on MyLion. I know we can do this. When I visit your club I am more than happy to bring my computer along and help you input your service into MyLion.
