## A Clearer Future: Iowa KidSight to Launch Next- Generation Screening Device

*By Chelle Lehman*  
*Iowa KidSight Program Director*

As Iowa Lions continue to lead the nation in childhood vision screening, exciting developments are on the horizon for Iowa KidSight—a joint collaboration between the Lions Clubs of Iowa and the University of Iowa Department of Ophthalmology, ranked 6th in the nation.

Over the past year, Iowa KidSight conducted a thorough evaluation of competitive vision screening devices. A committee composed of the Iowa Lions KidSight Steering Committee, the Iowa KidSight Medical Advisory Board, and Iowa KidSight staff invited vendors from across the country to present their latest technologies. The committee prioritized reliable detection of amblyogenic risk factors in children ages 6 months through kindergarten, while also considering ease of use, compatibility with

our existing database, and feedback from Lion volunteers.

Dr. Bill Scott, Iowa KidSight Medical Director, explained the decision. “We knew that the present iScreen technology was evolving into a new device,” he said. “Before committing, we invited competitors to present their devices. After careful consideration by Lions, Iowa KidSight staff, and Medical Advisory Board members, the group determined that the best path forward was with the new iScreen device.”

### Introducing the iScreen G5 Vision Screener

The iScreen G5 Vision Screener will be available in the first quarter of 2026, accompanied by a trade-in program for current iScreen G3 devices.

Thanks to input from our Lion vision screeners, the G5 delivers key improvements:

- Live child alignment with crosshairs for accurate positioning (no more lining up circles)
- Wireless or ethernet image transmission
- Dual image capture without re-entering patient data
- User-replaceable battery for easier maintenance
- Smaller, ergonomic design with handles

**NEXT GENERATION.** The front and back of the updated model of the iScreen camera.

# Holiday Gift Giving with Life-Changing Impact

*By Bernadette Lane  
MD9 LCIF Coordinator*

Last summer in a small Iowa town devastated by floods, a Lion volunteer handed a hot breakfast meal to a sleep-deprived, stressed and overworked couple. It was the first hot meal and real food they had in days. That simple act, powered by an LCIF emergency grant, brought hope to this couple who had lost everything.

As I write this on the first cold and blustery day of the season, I am reminded of this powerful act of Lions support and kindness. How quickly we can go from heat to cold and one life's moment to the next. This also means that the holidays are right around the corner and with holidays usually comes the giving of gifts. Some of us may have a short gift giving list, and others, a long one. The list may consist of immediate family, extended family, fellow Lions, other good friends, service providers, work colleagues. We might know exactly the right gift to give, or we may not have a clue.

## A Meaningful Gift with Lasting Impact

Regardless of the situation you find yourself in, I have a perfect gift giving option for your consideration. It is a gift to LCIF, in honor of the recipient. Before you say, "that is not a gift", allow me to explain.

We belong to the greatest humanitarian service organization on the planet. We give sight to the sightless, enabling the little boy to see his mother's face for the first time. We give comfort and provisions in times of natural disasters, letting people know they are loved and not forgotten. We give food to the hungry to ease their suffering. We help children gain the skills and tools they need to combat bullies and become thriving young adults. We help individuals and communities become healthier so they may be stronger and able to care for their loved ones. We provide vaccines and save lives. Lions, we do all this and so much more across the globe.

How can we do all this and on a scale that is beyond belief? Through OUR foundation, Lions Clubs International Foundation (LCIF).

## A Gift That Reflects the Spirit of the Season

The holidays are a time for gratitude, generosity, and hope. Donating to LCIF in honor of someone you care about is a thoughtful way to express these values. Instead of traditional presents, consider giving a gift that inspires change and helps others overcome challenges. LCIF will recognize your tribute, and you can share with your honoree that their name is associated with positive action and compassion.

## How to Give in Honor or Memory

1. Scan the QR code or go to [lcif.org/donate](https://lcif.org/donate).
2. Choose the fund you wish to give to, either Empowering Service, which supports all our global cause areas, or Disaster Relief if you wish your gift to be restricted to natural disasters.
3. Select the donation amount.
4. Under item 4, "recognition requested," select either special occasion or memorial and provide the details, such as "this gift is made in honor of..."
5. LCIF will send a thank you to your honoree, letting them know about your thoughtful gift.

## 100% of Your Donation Goes to Support Projects and Programs

## Spread Joy and Hope—Make Your Gift Today

This holiday season, let your generosity shine by supporting LCIF, a gift to someone that has a deeper meaning, to help Lions impact millions of lives. Doing so also means your recipient is now a proud participant in impacting lives and making our world a better place through Lions.

To donate or learn more, visit [LCIF's donation page](https://lcif.org/donate) or contact your LCIF district coordinator (listed on Page 25 in the digital section).

Wishing you and your loved ones peace, joy and hope this holiday season.

# Great Plains to Offer Midwest Faculty Development Institute

The board of Great Plains Lions Leadership Institute is once again offering a Midwest Faculty Development Institute during the same weekend as the Great Plains Lions Leadership Institute, July 16-19, 2026.

Attendance is limited to 20 applicants, and each of the participating multiple districts will be allowed four attendees each. Multiple districts in the Great Plains Lions Leadership Institute group are Iowa (MD9), Oklahoma (MD3), Missouri (MD26), Kansas (MD17) and Nebraska (MD38).

As mentioned, Midwest Faculty Development Institute will be held in conjunction with Great Plains Lions Leadership Institute at Baker University in Baldwin City, Kansas, about one hour southwest of Kansas City.

As a train-the-trainer focused institute, the primary purpose of Faculty Development Institute is to enhance training delivery skills and training techniques that will increase the quality of training and overall effectiveness of Lions leadership development programs.

Given the limited FDI slots, acceptance into the institute is not guaranteed. Each applicant will be vetted prior to final selection to attend the training. Accepted applicants will be notified by the curriculum coordinator/registrar. Applicants not selected will have their course fees returned.

Faculty Development Institute qualifications include:

- Current active member of a club within the constitutional area.
- Not attended an FDI within the last five (5) years. (International or local)
- Have an interest in improving training delivery skills.
- In-depth knowledge of Lions' culture, Lions leadership experience, and comfort using PowerPoint is preferred.

Upon acceptance to Faculty Development Institute, participants are obligated to the following conditions.

- Attend all sessions of the 3-day institute.
- Arrange personal travel to and from the institute.
- Complete all pre-assignments prior to arrival.
- Arrange to be observed and evaluated conducting a local training event within 6 months of attending the

FDI. The evaluation will be certified by the Multiple District GLT Coordinator and Council Chair.

- Upon "certification", assist in facilitating leadership training at the district, multiple district, and area levels.

**FDI applications** can be downloaded from the [Iowa Lions website](#).

## All Lions Leaders Can Benefit from Training at Great Plains Lions Leadership Institute

Also offered that same weekend at Baker University will be the annual Great Plains Lions Leadership Institute, which is geared towards Lions ready to pursue leadership roles within their Lions communities. Club leaders would benefit from attending. GPLLI is training to prepare Lions for leadership positions throughout the organization.

Dynamic facilitators from across the Great Plains states mentioned above will provide emerging Lion leaders with modules on diversity; goal setting; Lions fundamentals; local issues; mission statement; motivation; public speaking; time management; and working in teams.

Students of both FDI and GPLLI will share dorm rooms and meal times.

**GPLLI applications** can be downloaded from the [Iowa Lions website](#).

Cost to participate in either institute is \$220 for applications received by April 30, 2026, and increases to \$240 for apps received on May 1, 2026 or later. All applications **MUST** be received by June 1, 2026

The cost of either institute covers single-occupancy room, meals during the institute, and cost of training materials.

Send applications to:

Curriculum Coordinator/Registrar  
PID Hans Neidhardt  
2744 E Ironstone St,  
Park City, KS 67219

Every district in Iowa has training scholarships of some kind. Contact your district governor or district GLT coordinator for more information on scholarships.

### Merry Christmas and Happy New Year Iowa Lions and LEOs

Thanks to each of you for your dedicated time and service as Lions. Remember to appreciate your family and friends during this special season. **YOU MAKE A POSITIVE IMPACT EVERY DAY!** “Lead to Serve, Serve to Lead!”

#### Leader Dogs for the Blind

Please consider making a personal and/or club donation to Leader Dogs for the Blind BEFORE Dec. 31. If your donation reaches Leader Dog BEFORE year end, it will be matched by the Woods Charitable Trust. Make sure your club and district numbers are on the check so that your club/district gets credit. Learn more on the [Leader Dog website](#).

#### 2026 1st Vice District Governor Training

All first vice district governors began their online learning classes and group webinars in September. Their special district governors elect registration form for the Lions International Convention in Hong Kong, China was emailed to them in October. **FVDGs do NOT use the general Lions convention registration form.**

In December, they'll receive an email registration invitation from Limitless Leadership to register for their virtual Zoom seminar sessions: two sessions each week for four weeks. Two additional mandatory webinars will be in April and June. If the 1VDG does not participate in all the virtual sessions, as well as live events in Hong Kong, their expenses for Hong Kong will **NOT** be reimbursed.

Each 1VDG is allowed to bring their spouse or one adult companion to Hong Kong to share their hotel room. LCI pays for air travel for the 1VDG for one economy roundtrip ticket. Reimbursement for one economy roundtrip ticket for one adult companion will be **\$500 maximum**, reimbursement available after the international convention with a correctly completed expense form with receipts. The final phase of online assignments will be April-June.

April 30, 2026, is the final due date for submission of

district goals. 1VDGs will participate in webinars hosted by their group leaders in May. **SPECIAL NOTE:** LCIF goals for every district around the world are now assigned by LCIF leadership in Oak Brook, not set by the district leaders.

#### 2026 2nd Vice District Governor Training

2VDGs received registration and access to their virtual platform and curriculum in July 2025, with six mandatory online classes required to be completed in August 2025. Their mandatory live virtual seminars were held in November 2025. All In-person MD9 Iowa 2VDG classes are to be completed by March 2026. Also in March 2026, they should be supporting their district team in developing their 2026-2027 district goals and action plans.

#### Dec.-Jan.-Feb. Dates to Remember

**Dec. 2:** Giving Tuesday – Make a personal LCIF donation.

**Jan. 7-12:** LCIF Board of Trustees Virtual Meeting.

**Jan. 13:** Melvin Jones' birthday – Make a personal donation to LCIF in his honor!

**Jan. 15:** 2026-27 Peace Poster Kits available.

**Jan. 30:** Last day for early discount on 2026 International Convention registration for Hong Kong, China. Early registration fee \$190 and increases to \$265 Jan. 31-June 30. This is convention registration only and does NOT include hotel deposit or tickets for Melvin Jones Luncheon.

**Feb. 1-28:** District Governor Elect Virtual Seminar.

**Feb. 2-5:** Joint LCI/LCIF Boards virtual meetings.

**Feb. 23-24:** Mission 1.5 Worldwide Report Days.

#### Register NOW for 2026 USA/Canada Lions Forum in Memphis, Tennessee

The 50th anniversary of the USA/Canada Lions Leadership Forum will be Sept. 3-5, 2026, in Memphis, Tennessee. Register NOW while the fees are lower, and there are still rooms available in the the headquarters hotel that connects directly to the Renasant Convention Center across the street by skywalk.

To celebrate 50 years of the Forum, there will be live music on Thursday and Saturday nights, over 80 seminars from which to choose, a beautiful Strides Walk, service project, and fellowship with 2,000 Lions.

Register online at [LionsForum.org](https://LionsForum.org). Fees increase on April 1, 2026.

Memphis is also an easy day's drive from nearly everywhere in Iowa.

## **A View from the Chair**

**Council Chair  
Phillip Larabee**

**908 W 1st St  
Monticello, Iowa 52310**

**319-465-5006**

**phillip.larabee@gmail.com**

It is hard to believe I am almost through half of my year as your council chair. During these first six months, I have witnessed a rejuvenation in new Lions Clubs in the state. This rejuvenation has not occurred for a very long time.

### **Membership**

The Lions of Iowa has not seen a positive growth in membership for 20-30 years. As of today, the Lions of Iowa are up in membership by 68. Each district remains positive in membership growth. What a great start for the 2025-2026 fiscal year!

### **Extension**

The Lions of Iowa currently has one new club and two clubs brought back after being canceled. I am excitedly watching numerous new clubs in the early process of being started. One Lions Club is centered on KidSight. The second Lions Club in the works is centered on the ALERT Program. A third one in the works is a Pediatric Cancer specialty club. I still am anxiously awaiting news on additional clubs in the works across the state.

### **Leadership**

I am working on some new leadership ideas. The first in the works is starting a mentoring program for zone chairs across the state. This new mentoring program will hopefully help districts start the process of building new leaders to accept the path to becoming a district governor. The second new idea is building our training program for 1st vice district governors and district governors elect.

### **Service**

At the end of the first quarter of the fiscal year, the average percentage of clubs across the state reporting a service project was 33%. I challenged the district governors to get their districts reporting service to 50% by the end of December 2025, 70% by the end March 2026 and 90% by the end of June 2026. Club secretaries, please help report service projects and meet our service project reporting goals.

### **Peace Poster Contest**

As of today, I have received my first district Peace Poster Contest winner. As the remaining district Peace Posters come in, my judge will determine who will be the state winner.

### **District EC Fall Rally**

On Nov, 1, I attended the District 9EC Fall Rally in Bettendorf. One of the first speakers of the day was District 9EC Diabetes Chair Tony White. Tony is a nutritionist who works for a hospital in the Quad Cities. For the first time in life, I heard diabetes explained on the most simple basis, thanks to Tony.

Tony is working to host a series of Zoom meetings on diabetes for District 9EC. I will be sending these Zoom meeting links across the state to the current district governors. Tony is planning to explain all of the new drugs and equipment used today to help keep diabetes under control.

### **District 9NE and 9NC Joint Convention**

Nov, 15, I was in Cedar Falls for the District 9NE and 9NC Joint Convention. The special guest speaker was Past International President Brian Sheehan.

Also during the morning, 9NW DG Steve Rehmann and I put on a presentation on the Lions Clubs International Liability Insurance. I am a licensed Iowa Insurance Agent and Steve is a retired insurance adjuster. The last time we teamed up together to put on this insurance presentation, we were asked to come back to a series of seminars at district conventions.

### **Veterans Day**

As I write this article on Veterans Day, thanks to the Lions who served this great nation in the military. While researching my family history, I have found relatives that have served this nation starting with the Revolutionary War through present day. My family came to the British colony of Connecticut in 1637, only 17 years after the Pilgrims arrived in Plymouth, Massachusetts. In this group are many amazing servicemen including a Congressional Medal of Honor recipient, a President of the United States or Commander in Chief of the Union Army during the Civil War and a National Commander of the American Legion.

### **Christmas Greetings**

I want to wish all of you a Merry Christmas. This will be the last Christmas for my wife and I with just our two daughters and son-in-law. Why? Our daughter and son-in-law recently announced that they are going to have a baby in May 2026. So Laura and I will have a new title of grandparents in 2026.

## District 9EC

District Governor  
Greg Andresen

2150 W 38th St  
Davenport, Iowa 52806

563-209-7787

gregandresen412@gmail.com

Seasons greetings to all members of District 9EC. I hope everyone had wonderful celebrations with their friends and families for Thanksgiving. Now that the month of December is upon us, we can enjoy the holiday season with the inside and outside display of our Christmas decorations. Enjoy this time with friends and families for Christmas parties, dinners and opening gifts on Christmas Day. After Christmas, we will celebrate by bringing in the New Year, so may the New Year be successful for everybody.

When you read the November issue of *The Iowa Lion*, you noticed a list of charter members for the new Lions Club in the city of Le Claire. In having this new club in LeClaire, they can reach out to their community on what service they can provide. You also noticed that other clubs are bringing new members, as well, so clubs of our district keep signing up new members to keep us growing.

The 9EC Fall Rally held in Bettendorf on Nov. 1 was well attended. It had good speakers, great fellowship and a wonderful meal provided by the staff of Tangle Wood Hills.

### Global Leadership Team Coordinator

Our district has a vacancy on the cabinet: the Global Leadership Team Coordinator. The duties of this position include training club officers and zone chairs within the district, and attending Global Action Team meetings. You will also be working with the district governor team and Global Action team, as well. If you are interested in taking this position, please contact me.

## District 9MC

District Governor  
Jimmy Bacon

7002 Indianola Ave. Lot 159  
Des Moines, Iowa 50320

515-491-3340

baconjim.55@gmail.com

So, some of us got a taste of winter again here in Des Moines. It was not bad but north of here seems they got the most. Well, it is that time of year we all love. If any of you are planning to attend another club's meeting, you might think about it soon as the weather is so unpredictable. I do hope this is in clubs' plans to make this happen.

I am going to be handing out wooden boxes with just a small cut in the top so money can be inserted. I will be giving it to zone chairpersons to take to a zone meeting then it is up to the receiving club to get it to another club. At the district convention March 6-7, we will open them and the zone with the most money will be recognized as the best zone in 9MC. This sounds like a fun activity. Oh yes, each club needs to decorate the outside of the box leaving space for other clubs to do the same.

It is nice to see some clubs taking time to go through the Lion Portal and learn how to report on it. It really is so easy to do but at the same time comes off being scary. Remember you can't hurt anything if you make a mistake.

I have been telling clubs to make sure their members are getting their years of service chevrons. Most clubs say that they get them for International and then they hand them out. I don't like this plan. I like everyone to get their new chevron by Christmas, and if you have a Christmas party do it then. One other way is for the incoming president to hand them out at the first meeting or two. It's a good way to introduce yourself as president.

Speaking of presidents, clubs that have a president for more than two years in a row need to start looking for a replacement. By holding that position for a long time, you're taking the stepping stone away from others that may want to step into the district level. Just because you're not the president doesn't mean you can't teach the new president the ropes. One thing I hear is no one wants the position, so the current president stays. One of the reasons no one wants the position is no one has prepared them for that position. So, it is easy to say nothing and they will do nothing. In time, you will lose that member. Think about it and GET IN STEP with your club.

**DIAMOND ANNIVERSARY.** Dysart Lions celebrate their club's 75th anniversary with special guests.

## Dysart Lions Celebrate 75th Anniversary

The Dysart Lions Club celebrated their 75th anniversary on Nov. 16, with an evening of fun, good memories and thankful hearts. Lions District 9MC Governor Jimmy Bacon attended, as well as District 9EC Past District Governor Jim Bixler, 9MC Global Service Team Coordinator Judy Stone, Iowa Lions Foundation Trustee PDG Zane Vokes, firefighter Brian Sparks, City Council Member Mary Wankowicz, Chamber of Commerce President Nicole Taylor and EMS team member Jackie Obrosk. The keynote speaker was Don Lyons, who has been an enthusiastic and faithful Dysart Lions Club member for 63 years.

In his speech, Lion Lyons highlighted some of the history and the many service projects the Dysart Lions Club has done over the years. Chartered in 1950 with the Belle Plaine Lions Club as its sponsor, the Dysart Lions have been responsible for the funding of the 1959 Dysart swimming pool, the building of the park tennis court, baseball diamond, and most recently, they donated signs for the new pickleball court.

The Dysart Lions Club provided funds for the Lions Concession Stand, the open and closed shelters in the Dysart Park, and most recently, the 40-foot storage building to store equipment for the Little League baseball teams and the football team.

Dysart Lions also fund and organize the 4th of July parade, Lions KidSight vision screenings, scholarships for special needs kids to attend Camp Courageous, annual scholarships for five graduating seniors. They fund and distribute yearly Christmas Cheer Boxes as well as send donations to disaster relief.

The Dysart Lions are active in serving at the concession stand in the park, helping supply eyeglasses to students at the local elementary and middle school

and hearing aids to those in need, as well as numerous other community services.

Funding for community projects comes from the generosity of the community as they support the fundraisers; two fish fries and two “World Famous Tenderloin” suppers during the year.

At the end of his speech, Lion Lyons invited Past Council Chair Judy Stone from Marshalltown to join him so she could receive the new Dysart Lions Club lapel pins.

Three awards were presented this evening. The Membership Key Award was presented to Sherry Lyons. A Warren Coleman award went to Sheila Kotouc and a Melvin Jones Fellowship award went to Ken Tanner.

**Save the Date for the 9MC District Convention**

Save March 6-7, 2025 for the 9MC District Convention at Grace Lutheran Church in Marshalltown. We don’t have it all planned out yet, but we will have a Meet & Greet with our International guest, as well as supper and entertainment on Friday night. Saturday we will have coffee and pastries to start off, then on to a few speakers, lunch and at the same time a silent auction of baskets, and some other fun things.

For now, you need to mark off on your calendar these dates. We will be setting up rooms for the overnight stay. This convention will be all about fun so plan ahead. All starts at 5 p.m. on Friday, March 6.

The cost for this will be coming later, as will the agenda for Friday evening and Saturday. Just remember that these conventions are one, and sometimes the only, way a district can make some money to put these on.

There will also be the Avenue of Club Banners on display. So, from the time you read this until March 6, you should make sure your club banner is looking good. Let’s say your club banner doesn’t make it there, but at least two people from your club do, it will probably cost your club about \$100.

One thing if you have forgotten what you read so far, this convention is all about **FUN**.

So, GET IN STEP with me and District 9MC!

**9MC CLUB ACTIVITIES**

**AMES** held its annual Turkey Dinner Oct. 24 (pictured above), serving 425 carryout meals with a profit of \$5,500; collected 445 pairs of eyeglasses and four sets of hearing aids from area collection centers.

**DYSART** KidSight screened 52 children; participated in the annual Dysart PTO Trunk or Treat event passing out lion tattoos and candy; celebrated its 75th anniversary

**MARSHALLTOWN EVENING** – KidSight is wrapping up except for doing a few retakes. The team screened a whopping 1,004 kids! **CANDY IS ALMOST GONE!** The club’s annual signature fundraiser is expected to be sold out by the end of November. The club selected the Iowa River Hospice House in Marshalltown as this year’s project. In conjunction with Hospice House’s current plans to update the interior, the club is stepping up to provide funds to purchase comfortable, quality bedside chairs with medical grade upholstery for consoling loved ones who are already dealing with difficult life-changing times. In addition, the club’s fundraising efforts will also allow for the purchase of new stackable chairs for overflow seating. The total cost for all this is estimated at \$4,000- \$5,000. Marshalltown Evening Lions extends a special thanks to all the retailers that allowed them to place candy/nuts in their stores and to all the people who purchased candy/nuts in support of Iowa River Hospice House.

**SOUTH DES MOINES** made placemats for the pancake breakfasts, a fundraiser that brings in \$1,500-\$1,800 per year; delivered Meals on Wheels; conducted KidSight screenings; provided personal assistance for the elderly; gathered and delivered 1,700 pairs of eyeglasses; participated in the Walk to End Alzheimers; cleaned a section at Laura Hill Cemetery.

## District 9NW

District Governor  
Steve Rehmann

820 N 15th St  
Fort Dodge, Iowa 50501

515-570-9095

steve.rehmann@outlook.com

A brisk Saturday morning awaits. As I sit here looking out the window, the first snow flurries of the year are upon us. It's not that uncommon for early November, but still a reminder of the winter to come – 35 degrees now with a high of 36 expected.

At first, I was not sure what we needed to “talk” about this month but realized there are so many topics. Let us dive into our Vision Grant, holidays, health, service weeks and service reporting.

**VISION GRANT:** We did it! We have reached our first goal in this year-long grant project. Our submission to LCIF requesting support for a matching grant was submitted by the Oct. deadline.

To recap, we are trying to secure two specialized lenses for the NICU unit of UnityPoint St. Luke's, Sioux City. These lenses cost \$18,000 each. Our goal is to fund one lens through 9NW support and a second lens through a matching grant. The LCIF trustees meet in January to consider grant requests. We needed to secure at least \$9,000 in matching funds by Dec. 1 to move forward, and we have.

We collected pledged funds in November through the foundation at St. Luke's. Thanks to the generosity of Sioux City, Fort Dodge, Fort Dodge Evening, Akron, Boone, Carroll, Orange City, Rolfe, and Royal Lions clubs, we are well on our way to the goal.

I want to challenge all our 9NW clubs to join with us in reaching our goal. Donations from individual Lions are also welcome. Lion Tom Salvatore of Fort Dodge donated \$100, Lions Stefan and Kay Sandberg of the Akron club did the same. As your district governor, I am donating \$100 in November and an additional \$100 during the first quarter of 2026. Please consider joining our vision journey. I am available for questions, directions on payment or general information at any time.

**HOLIDAY SEASON:** By the time you read this, Thanksgiving will have come and gone, and the Christmas season will be upon us. I hope you were able to take a breather and enjoy time with family and

friends. This year, we hosted Thanksgiving at our home, and Christmas will be at our daughter's in Omaha — here's hoping for good travel weather!

This is always a hectic time, but also one that reminds us how fortunate we are — as parents, spouses, friends, and, of course, as Lions. Wishing all 9NW Lions a blessed and peaceful holiday season. Peace be with you.

**HEALTH:** An update on the personal front. Some are aware I recently had surgery for removal of scar tissue from my left eye. According to the surgeon, this was not uncommon and a result of “aging.” Well, thank you for that information. Coupled with cataract surgery at the beginning of the year, the vision is quite a bit better than last year, but still has room for improvement. Right eye vision was corrected to between 20/20 and 20/40 which at 75 is okay with me. The left eye, however, was something like 20/120 before my last surgery. It has improved to 20/60 and will improve further as the retina heals.

I have always been a strong proponent of our vision programs and KidSight, but this year has really driven it home.

**SERVICE WEEKS:** International President A.P. Singh's directives for the year have included three specific service weeks. Mental Health Awareness was Oct. 4-11. If your club did specific projects related to mental health during that week, please let me know, or better yet, make sure it is entered into the Lion Portal.

Up next will be a Week of Service for Hunger Jan. 3-11. Food insecurity affects families more than we realize, even in towns like ours. Clubs can organize food drives, support backpack programs for kids, or serve community meals. Sometimes one good partnership with a local grocery or food pantry can multiply what we are able to do tenfold. Think about how your club can create a service project in line with this week. Especially now, food insecurity is a real threat to so many.

**SERVICE AND CLUB VISITS:** Clubs are going full speed with their service activities. Thank you for your efforts. Please take the time to enter your efforts into the Portal.

At the October Council of Governors meeting, 9NW was the only district to have all clubs paid for their LCI dues, but we were at the bottom of the list when entering information into the Portal. We need to do better. When I last looked at the Portal, the only clubs with recent entries were Akron, Boone, Carroll, Churdan, Fort Dodge and Peterson. Several continue to email information to me, which is very much appreciated, but we need to work on Portal information entry. LCI is working diligently to improve the portal experience.

Please work with it or let us know how we can help.

I have visited the Boone Lions Club and enjoyed their turkey dinner. I also visited Akron early in the month and returned for their Omelet Breakfast. I had November visits scheduled for Fort Dodge, Sioux City, Marcus, and Badger this month along with the 9NC/9NE convention. Rolfe is scheduled for January. Carroll and Madrid have requested spring visits.

Some other activities are tentative now. Have DG pin, will travel! Let me know what you are doing and when to visit.

# News From Our Clubs

**AKRON** made donations to the Iowa Lions Foundation and locally to the FFA; continues to collect shoes for Soles4Souls; collected 120 pairs of eyeglasses; KidSight screened 216 children; held its 30th annual Omelet Breakfast (pictured right), raising approximately \$2,803; donated \$500 to the 9NW Vision Grant Project.

**BADGER** held its annual Fall Pancake Breakfast (pictured below).

**BOONE** held 12 KidSight screenings with 338 children screened; held its annual Turkey Dinner fundraiser; contributed \$250 to the 9NW Vision Grant Project

## District 9NE

District Governor  
Dale E. Schrad

2922 Minnetonka Drive  
Cedar Falls, Iowa 50613

319-242-1988  
daleschrad@gmail.com

We're halfway through our Lions year and I want to thank every one of you for your time, dedication, and heart for service. Together, we're making a real difference across Northeast Iowa!

As of Nov. 8, District 9NE has 1,065 members – a net gain of +4 since July 1! This is our first positive growth in years. Way to go, Lions! We currently have 40 clubs and plan to form a new club in Manchester after the first of the year to bring Lionism back to that community.

Only 38% of clubs are reporting service at this time, so please log your activities in the Lion Portal. If you need help, contact Past District Governor Chris Waring, our district administrator.

I look forward to more club visits. It's inspiring to see the amazing service happening across our district!

As we celebrate the Christmas season and look ahead to a new year, I wish you all joy, peace, and continued passion for serving others. May 2026 bring new opportunities to grow, lead, and make a difference – together!

**HALLOWEEN HAPPINESS.** Cedar Falls Leos share Halloween candy and happiness notes with seniors at the Western Home. Leos pictured (standing L-R) Andrew Goetsch, Logan Backes, Gabriel Garcia, Peter Chen and Matthew Haht.

## News from Your LCIF District Coordinator

*By PDG Chris Waring, District 9NE LCIF Coordinator*

Lions of District 9NE, we're off to a great start! Our LCIF goal is \$35,890, and we've already raised \$5,600. Thank you for your generosity! My goals are for every club to give at least \$100, for each president to make a personal gift, and to welcome at least one new Legacy Donor.

Your donations change lives. Bringing disaster relief, restoring sight, fighting hunger, and supporting projects right here in Iowa, including disaster grants, the Cedar Falls Sensory Garden, and the Iowa Lions Eye Bank.

As we enter the season of giving, remember Giving Tuesday on Dec. 2 and Melvin Jones' birthday on Jan. 13. Both are perfect times to make a gift to LCIF and honor the spirit of our founder.

Together, we serve – and together, we shine!

# 9NE CLUB ACTIVITIES

**BELLE PLAINE** made a profit of \$498 dollars selling funnel cakes at the Cider Stroll.

**CEDAR FALLS** sorted donated food at the food bank.

**GARRISON** hosted a zone meeting in Garrison at the historic Farmers Mercantile Hall on Main Street; hosted a Trunk or Treat, providing hot dogs and snacks for a free will offering.

**HAWKEYE** organized and held a Halloween coloring contest, inviting kids in the community to color a picture and have some refreshments and treats.

**INDEPENDENCE** packaged and shipped another 40 boxes of shoes totaling 513 pairs for the Soles4Souls project; hosted a Suicide Awareness program featuring guest speaker Ryan Nesbit of Jesup, who shared his personal journey and information about available mental health resources; held a scrap metal drive; took part in the city's Trunk or Treat event.

**JANESVILLE** received donations of various scrap metals; cleaned up a local cemetery, including four trees downed by storm damage.

**LAWLER** served a drive thru pork dinner.

**OELWEIN** cleaned up ditches; sold pies and soups; called Bingo at the senior center; collected, screened, and recycled eyeglasses (now totaling more than 225,000 pairs screened); provided a safe place for children to play and trick-or-treat; provided rides for medical appointments; and prepared and served meals for meetings; distributed food at the local pantry; worked with the local auxiliary.

**VAN HORNE** collected, sorted; counted; and bagged cans and bottles to take to the Cedar Rapids Can Shed Redemption Center; served hot dogs, chips, cookies, and drinks to area children before they went trick-or-treating.

**WAUKON** donated \$500 to the Milk Fund at Allamakee Community Schools to help younger children buy milk during the school day.

**WEST UNION** assisted with decorating at the local recreation center for the community's drive-thru holiday light show; painted the shelter house and installed a new sign at Lions Park; collected 22 pairs of eyeglasses.

**WESTERN DUBUQUE** did advertising on the WDHS Facebook; received over 600 individual servings for this year's food drive and an additional \$679 in cash.

**CRACKIN' GOOD.** Though not Lions members themselves, Krista Kelck (in the black tee) and Bev Kelck, respectively daughter and wife of Lion Lynn Kelck, were a huge help at the West Union French Toast Breakfast! Owners of the Barrel Drive-In, Krista and Bev are no strangers to cooking. They brought their culinary skills and energy to help make the breakfast a success.

**WHAT A HOOT!** Oelwein Lions host the annual Oelwein Hoot for Halloween. Approximately 250 children participated in games and gathering goodies. The Lions had help from family, friends and teens from the local high school.

### Mental Health Added as a Special Initiative of Lions International

Are you aware Lions International has recognized Mental Health & Well-being as a special initiative this Lions year? Lions International's core global causes remain: Vision, Diabetes, Hunger, Environment, Childhood Cancer, Humanitarian Efforts, Youth, and Disaster Relief.

However, Mental health & Well-being is a significant and growing focus area for Lions and Leos worldwide. Lions are actively promoting the importance of mental health and well-being, raising awareness, educating and supporting their communities, and advocating for positive change. This was reflected through the Mental Health & Well-Being Week of Service in October and various service resources available to clubs.

Lions International is encouraging clubs, districts, and multiple districts to dedicate a week of service focused on mental health and well-being. With Oct. 10 as World Mental Health Day and May being recognized as Mental Health Awareness Month, there is still time to set a future goal for clubs, District 9NC, and Multiple District 9 to conduct a Mental Health & Well-being service project.

Here are a few mental health and well-being service ideas:

- Promote mental health education, awareness, and advocacy resources.
- Promote mental health and well-being stigma-reduction resources.
- Advocate for increased mental health funding and expanded services.

## Go to the USA/Canada Lions Leadership Forum

*By Chris Wilkins*

*9SW 1st Vice District Governor*

I took a gamble and flew to Harrah's Casino in Atlantic City, New Jersey for the 2025 USA/Canada Lions Leadership Forum in September and came out a winner! I really had no idea what to expect. I had heard rumors that it tended to be even better pound-for-pound than the International conventions. Now, I'm a believer!

### What is the USA/Canada Lions Leadership Forum?

This is a meeting for all Lions, centered around Constitutional Areas 1 & 2 (the United States, its affiliates, and Canada, respectively). There are over 70 breakaway seminars focusing on things like leadership, membership, service, fundraising, you name it! The Forum has a myriad of opportunities for networking and idea-sharing, which was personally my favorite part.

There were amazing speakers. Our current International President A.P. Singh and our past international presidents and directors give inspiring, often comical, speeches. The event is centered on empowering and motivating our fellow Lions to be the best servant-leaders we can be.

### My Experience

Even before our flight landed, I saw a Lions pin on a young lady named Lydia and began chatting. My new friend stayed in contact throughout the entire event! I can't stress this enough, we Lions are a family. For those who aren't big on family, you can also see them as partners in service to something greater than ourselves. Get out. Connect. You'll never regret the relationships you forge.

When we landed in Philadelphia, the Forum staff had chartered busses for us to get to New Jersey. When you get on a bus full of Lions, you feel welcome. You feel that family atmosphere and partnership. So be BOLD! You'll make a new friend. Bring your business cards...

Immediately upon arriving, the casino is bustling with Lions. There are Lions products to buy, stands showcasing

things such as new eye-testing technology, volunteer and educational opportunities, service events happening internationally, and Leader Dogs. My new friends from Leader Dogs for the Blind in Michigan saw me from afar and came up to chat.

One of the first events was a rally led by my new friends Past International President Brian Sheehan and International First Vice President Mark Lyon. If you've met them, you know that PIP Sheehan is a wildly energetic speaker, and IVP Lyon is a brilliant, down-to-earth, relatable gentleman – a perfect mix to lead a crowd for a LionsUSA pep rally right before a Strides for Diabetes Walk.

Here I also had the honor of meeting Mr. Robert "Zilla" Garcia, the deejay many of our events and a fellow Lion. We had a deep, enlightening conversation and discussed hosting an event in Iowa. I've been just showing up at these events by myself (love my Iowa Lions, but also love meeting new friends!). But it didn't take long until I met up with several of my favorite Iowans like Debbie Doty, Bernadette Lane, and Jim Bixler. Your heart just gets full at these events.

Also not to miss, the banquets. The food was divine. Granted, you may know me to not be picky, but I know excellence when I see it! One thing I want to convince some of you about, whether at Lions events or otherwise, acknowledge your servers. Gratitude is both affordable and priceless. Tell them about the gift to society that is Lionism, too! Realize that I saw NO ONE being rude, but our servers informed me that they had never been given such appreciation at work... let's change that! We are also servants.

Carrying on, I'm glad I listened to our President A.P. Singh speak during his banquet keynote. As a fan of casinos, he made quite an analogous speech relating gambling to risk-and-reward within the Lions Club. What a dynamic character!

The breakaway sessions are the backbone of the Forum. Club presidents had a special invitation for IP Singh to motivate us. He stated that there are only two presidents in LCI: at the club level and international level. We are the frontline and the generals. My only regret is several seminars take place simultaneously, so I had to pick wisely.

My advice? Don't miss signing up early for the NEXT USA/Canada Forum in Memphis, Tennessee. The 50th year of the Forum, hosted by none other than one of my top five favorite people in the entire world, our Iowa-native Past International Director Ardie Klemish!

Let's have a good Iowa showing in 2026, to illustrate "Iowa Nice" to all of North America's Lions AND to strengthen our Multiple District 9 leaders into a new era of Lions Club success. You can register now for Memphis on the [Lions Forum website](#).

# 9SW SERVANT HEROES IN ACTION

The trees have been especially beautiful this fall and we really didn't have to travel far to see all the beauty. We have a maple tree in our front yard that is always the last one in the neighborhood to turn red, but when it did, it was really brilliant. It is starting to drop its leaves now and in 3 to 4 days they will all be on the ground. Then the work begins.

Speaking of work, all the clubs in the district have been hard at it this summer and fall. Take a look at what clubs in our district have done in October. If you don't see your club listed, it's because your projects have not been reported to the Lion Portal before the 5th of the month. Please report your activities to LCI so we all know what you are doing, and so I can put your activities in *The Iowa Lion* magazine so everyone can see it. If you need help reporting, please give me a call and I will walk you through the process.

We are in the holiday season and there are many needs within our communities. From food insecurity, warm clothing for both children and adults to presents for those who can not afford the extra money to have a Merry Christmas for their children this year. Please look at supporting any of the above needs that are important to those within your communities. Especially during this time of the year, remember our motto, "We Serve."

Sylvia and I want to wish everyone a Merry Christmas and a Happy New Year. Enjoy this season with family and friends.

Buck Brown, CEO of iScreen Vision, shared his enthusiasm, “iScreen Vision is excited about the upcoming release of our new G5 Vision Screener. We designed it to incorporate many features our customers requested, and Iowa KidSight’s input was invaluable. We are confident the G5 will make it even easier for Iowa Lions and grassroots volunteers to continue identifying childhood vision problems, as they already have for thousands of Iowa children.”

should be visible on the trailers. You will be a part of figuring out what our purpose will be. We don’t want to step on others’ toes or just try to supply something that others are already supplying. Some ideas we have so far:

- Electronic device charging stations
- Satellite uplink service for communications
- Portable shelter and chairs for rest
- Tarps for roofing repairs
- Tools and cleanup supplies

Can you think of other things that would be needed in a disaster?

If this sounds like something that you would like to be a part of, let me know by email at [g.glockhoff@gmail.com](mailto:g.glockhoff@gmail.com). I am collecting contact information for Lions who want to get in on this valuable service opportunity.

**NEW PURPOSE.** One of the trailers acquired for use for disaster response by the Lions Clubs of Iowa's ALERT program. Two trailers have been procured and now need to be fitted for emergency response by Lions volunteers.

THE IOWA LION

## Iowa Lions Seek Help to Repurpose Trailers for Emergency Relief Efforts

*By PDG Gary Glockhoff*  
**MD9 ALERT Chair**

Drought, flood, tornado, derecho are the four horsemen of the apocalypse in Iowa. Mother Nature can be a cruel force and if you've lived in Iowa for any time at all, you have experienced or been close to one of these devastations. We are at the mercy of these events and we cannot stop them, but we are smart people, and smart people plan for dealing with the aftermath. The Lions of Iowa have started our plan and I'm hoping that there are a lot of Lions who want to be a part of the MD9 plan for dealing with disasters.

What's been done so far? We have acquired two trailers and have two Lions clubs to house and transport these trailers. The Ft. Dodge Noon Lions Club will take care of the trailer for the western side of the state and the Monticello Lions Club will have the trailer for the eastern side of the state. These two clubs did not agree to man the trailers for disaster response.

What do we do next? The best possible next move is to form a new specialty Lions club to serve as the planning and action arm for disaster response in Iowa. A LOT of decisions need to be made concerning how this program is going to work. We need your input! We

will try our hand at getting county EMS people to join our specialty club, but we need interested Iowa Lions to consider joining as associate members. Being an associate member allows you to belong to more than one club. We don't want you to give up your home club, just add your name to the Alert Lions Club, too. Since it is impossible to predict where a disaster will occur, we need members from all over the state to help facilitate our responses wherever in the state that next event happens.

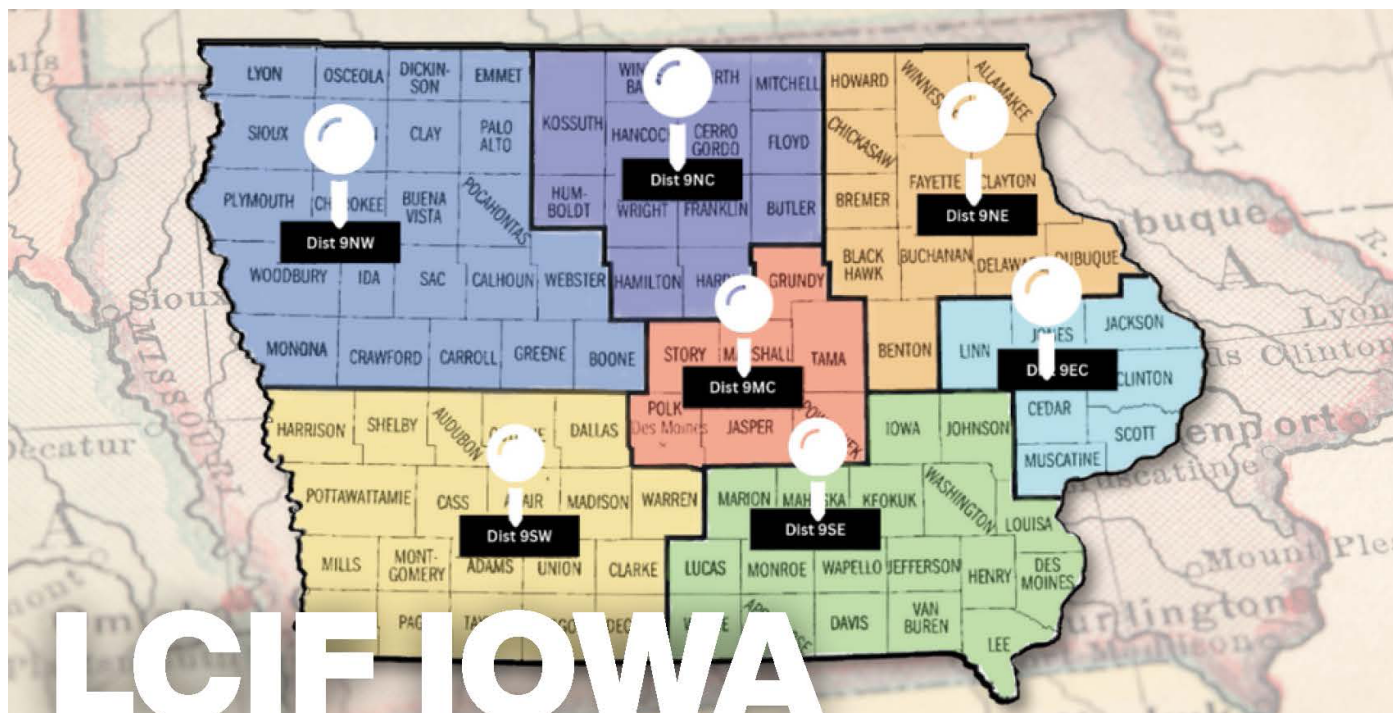

How will Lions from all over the state meet? Zoom! This specialty club will meet by Zoom, so if you want to be a member you won't even have to leave your house. Some of you may want to be in on the action and volunteer time at disaster sites. Others may never go to a disaster, but if there is one in your area, you would be expected to lend a hand with your knowledge of the local geography and your neighbors and friends who might be affected.

What decisions will you be participating in? – You will probably start with trailer graphics as they have been used for other purposes and Lions MD9 ALERT

## LCIF IOWA DISTRICT COORDINATORS

### KEEPING US CONNECTED.

Your LCIF District Coordinators are here to guide, inspire, and serve alongside you — helping Lions across Iowa turn compassion into action and make a lasting **IMPACT** in their communities and around the world.

You're encouraged to reach out to your LCIF District Coordinator — whether to share ideas about an LCIF Grant your club or district may wish to pursue, ask questions, or explore new ways to support the life-changing work of LCIF. You might also consider inviting your District Coordinator to speak at one of your upcoming club meetings — they'd love to share updates, answer questions, and help inspire your members with stories of Lions' global impact.

You'll find their contact information listed to the right. Each coordinator is dedicated to helping your club stay informed, engaged, and connected to the broader mission we share as Lions.

Together, we're uniting service across Iowa and creating an **IMPACT** that reaches far beyond our own communities.
