GREETINGS, IOWA LIONS

Dear Lions of Iowa,

We received great news from LCIF following their August Board of Trustees meeting. District 9EC and District 9MC were awarded Vison Matching Grants totaling $52,117 to support the purchase of new KidSight cameras. This is another example of how our support of LCIF makes a difference in the lives of individuals, families and communities here in Iowa.

At the same time, we are also reminded of LCIF's global impact. I am sure you have all seen footage of the devastation from the extreme flooding in Nepal. The loss of life now totals over 1,000 and thousands are still missing, including at least 90 Americans. LCIF quickly responded with a $200,000 Major Catastrophe Grant which will enable Lions to provide immediate relief and support long-term recovery. Through your support for LCIF, you are there standing shoulder to shoulder with fellow Lions giving aid, comfort and relief at a time when it is needed most, showing that we care.

It is easy to be a part of the family of supporters of LCIF. Please see the following pages to learn more about who LCIF is, what it does and how your gift can make a difference for someone in need.

Thank you for all you do as Lions and citizens of the world.

With you in service,

Lion Bernadette Lane
